HISTORY OF MARANATHA

Maranatha Baptist University has been called "the miracle school" because of its unusual beginning without funds, equipment, students, faculty, or constituency. It was born, not in the heart of man—but in the heart of God.

From 1872 to 1967, the original 62-acre campus was occupied by the University of Our Lady of the Sacred Heart, then Sacred Heart Military Academy. In 1967, the academy closed and the property was offered for sale. Watertown resident Elayne Senn, impressed with the need for a Baptist college in the state of Wisconsin, found the campus ideally suited for this purpose and shared that burden with Dr. and Mrs. B. Myron Cedarholm.

Dr. Cedarholm accepted an invitation to preach in another state, and through a meeting with pastors and those in custody of the property, the Lord moved in the hearts of men. The property, now valued at more than \$18.5 million, was made available for \$150,000. Friends undertook, prayer was answered, and Maranatha Baptist Bible College officially came into existence on July 1, 1968. “With men this is impossible; but with God all things are possible” (Matthew 19:26).

The provision of the Lord was evident, for all needs were supplied. In answer to prayer, a group of excellent, well-trained, and experienced faculty banded together to train the 173 students who enrolled in the first semester.

The College grew quickly. In 1970 Maranatha Baptist Graduate School was brought into existence. In 1973 Maranatha Baptist Academy became a reality, offering grades 9 through 12. Maranatha Baptist Seminary opened in 2009.

The Board of Trustees approved the name change to Maranatha Baptist University on October 28, 2013, which led to the name-change announcement to the faculty and staff on November 15, 2013; the announcement to the students, alumni, and general public on December 13, 2013; and the unveiling of the new brand identity and mascot on March 18, 2014.

Current students remain as committed to God’s work as those who preceded them. Our most recent alumni survey indicates that 95 percent of our graduates are actively involved in

local church ministry. God has blessed and sustained a school that remains true to its mission – to develop leaders for ministry in the local church and the world “To the Praise of His Glory.”

ACADEMIC LIFE

NOTIFICATION OF GRADES, BILLING, DISCIPLINE STATUS, ETC.

Maranatha Baptist University has sought to keep a student's parents and pastor aware of the student's department. This helps to keep them informed and makes it possible for them to be constructively involved in the student's education. In 1974, the Family Education Rights and Privacy Act (Buckley Amendment, also known as FERPA) was enacted. This bill created certain rights for families and individuals and certain responsibilities for educational institutions. Under this bill, college students retain privacy rights relative to their personal school records. We notify parents and pastors of a student's grades, school bill, discipline status, etc., only if a student has authorized us to do so. **Each semester we require students to sign a statement that does or does not authorize us to notify parents of grades, school bill, discipline status, etc. You may wish to confer with your son or daughter to see what actions (s)he has taken in this regard.**

These and other details relative to Academic Policies are published in the University Catalog.

STUDENT LIFE

Athletics

The Mission of the Athletic Department of Maranatha Baptist University is to develop leadership skills in the student-athlete through skilled training, godly mentoring and inter-collegiate competition. In an effort to fulfill this mission, we seek the development of sound sport specific training, good sportsmanship and character development, and a positive witness and testimony before opposing teams, officials, and fans. The gymnasium, fitness center, and sports fields of various types provide adequate facilities for active intercollegiate and intramural sports programs. It is our desire that in every aspect of Maranatha athletics that our teams will have a positive testimony on and off the field/court for the cause of Christ.

Automobiles

Having an automobile on campus is a wonderful blessing for many students. Students are welcome to have a vehicle on campus and must register with Campus Security. Vehicle registration is charged by the semester.

Wisconsin State Law requires minimum auto insurance coverage as follows:

- \$25,000 for injury or death of one person;
- \$50,000 for injury or death of two or more people; and
- \$10,000 for property damage.

Drivers and owners of motor vehicles are required to show proof of insurance at traffic stops/accidents if requested by law enforcement.

For more information the Department of Transportation website is <http://www.dot.wisconsin.gov/drivers/vehicles/ins-req.htm>

The College does NOT prohibit student borrowing or loaning of student vehicles. Since operating a vehicle involves significant legal and financial responsibility, you may wish to establish with your son/daughter some mutually agreed upon guidelines relative to loaning or borrowing a vehicle. Details relative to vehicle regulations can be found on the Maranatha website under Student Life/Handbook.

Campus Store

The campus store is located in the Student Center on the first level of Old Main. School supplies, music, and Maranatha apparel may be purchased or ordered through the bookstore. The store is also a source of gifts, greeting cards, and other miscellaneous needs.

Campus Security

During the regular school year, security personnel are on duty from 4:45 p.m. to 6:45 a.m. every day and are responsible for the oversight and security of campus facilities and personnel. Due to the nature of our institution and the nature of the city of Watertown, serious crimes on campus have been extremely rare. A number of petty thefts are reported in the course of a typical school year. These are logged and investigated as far as possible. Student offenders are disciplined and, depending on the circumstances, may be suspended from the University.

Residence halls are secured all day and are accessed by the student's ID card. **Students are responsible for keeping their room doors locked and for promptly reporting lost or missing keys.**

Further details concerning security policies and details of crime statistics are available from the Director of Campus Security on request or by linking to the Student Life Handbook on the Maranatha website page under Student Life/Handbook.

Dating and Off-campus Policies

One of the great things about Maranatha Baptist University is the ample opportunity to date others of like faith and practice in a wholesome environment. Many students find their life's partner at the University. In addition to casual dating opportunities such as attending a ball game, strolling downtown, or visiting in the Student Center, there are a number of special dating opportunities such as attending the Artist Series on campus, going to the symphony in Milwaukee, or joining in the fun of a late night skating activity.

In order to date off campus, students must follow dating guidelines. If traveling together in a vehicle, there must be a third party present.

Men and women students may visit the homes of one another's families with an invitation and parental presence, whether in or out of town. Engaged couples who meet certain qualifications can obtain "engaged couple status" which gives them the privilege of dating off campus without a third party.

INVITATIONS: For students to visit in homes other than their own, an invitation must be provided to the Student Life Office. This invitation comes from the parent of the home who is assuming supervisory responsibility for the student(s) while they are visiting. The invitation documents who has been invited and for what days. In order to prevent any misunderstandings or possible abuses, standing or open invitations are not allowed. Parental permission is required for mixed groups staying in the same home overnight. Adult supervision is necessary.

PERMISSIONS: For some off-campus activities, the Student Life Office requires parental permission. Permissions may be made via telephone or e-mail. Parental permission is required for certain kinds of activities or certain kinds of dating situations. The Student Life Office requires this in an effort to make sure that parents have the opportunity for input in a variety of situations. Parental permission does not override standing policies, nor does it mean that any given situation will be approved.

INVITATIONS AND PERMISSIONS MAY BE:

- Telephoned and recorded on the invitation line: 920-206-2304
- Submitted to the Student Life Office: studentlife@mbu.edu

Students are not allowed to patronize movie theaters or other inappropriate establishments. Students, whether living on or off campus, may not view or show R- and X-rated videos or television movies.

The University anticipates and appreciates your help in upholding and supporting University standards anytime our students are off-campus. During breaks, vacations, and holidays, students are expected to abide by Maranatha's Personal Life and Testimony standards.

Disciplinary action, including not being allowed to return, will be taken for any major infractions committed during Thanksgiving and Spring Break.

Discipline System

Because every student is encouraged to develop strong Christian character, a firm but reasonable and just system of discipline is maintained by the University. Expectations are clearly stated and students are expected to demonstrate their maturity by their compliance. Any disciplinary action may be appealed. Details concerning the discipline system are in the Student Life Handbook. Students are responsible to read the SLH and abide by college policies. Parents may access the Student Life Handbook on the Internet through <http://www.mbu.edu/slh/>

Dress Code

The complete dress code can be found in the Student Life Handbook.
<https://www.mbu.edu/slh/>

Employment

Many opportunities for employment exist both on and off campus.

- Students may only work with food preparation, in kitchens, or in the delivery service of any restaurant that serves alcohol such as Pizza Hut, Hi-Way Harry's, or Sprecher's.
- Students should not accept employment situations that would require them to travel to work with a member of the opposite sex unchaperoned.
- Students may not work in video outlets.
- Students may miss only one of three church services a week due to employment.
- Students who work on campus are expected to work in that responsibility for the entire semester.

Health Services

The Student Health Center (SHC) is located at 821 W. Main St. on the Northwest side of campus, just East of Gould Hall. All off campus and on campus students are expected to call the SHC before missing classes or chapel. The RN will give advice, help with doctor/dental appointments, as well as arrange transportation to appointments as needed. At times, on campus students will be expected to stay in the SHC to receive care. The SHC can be reached by calling 920-206-2384. The SHC is not a clinic and is therefore not staffed by a physician.

Liability Disclaimer

In the event of a catastrophe such as, but not limited to, fire, smoke, flooding, windstorm, hail, explosion, civil commotion, aircraft or other vehicle collision, Maranatha Baptist University is not liable for damages to any personal belongings of students. Neither is Maranatha Baptist University liable for theft of personal belongings of students, staff, or faculty members.

Students should be sure that their personal belongings are insured through their parents' homeowner's policy or through a renter's policy.

Mail Service

Each student at Maranatha has a mailbox which may be shared with one other student. Please include the student box number, on the same line as the name. Mail to students should be addressed as follows:

[Student Name] MPO #[Student Mailbox Number]
Maranatha Baptist University
745 W. Main St.
Watertown, WI 53094-7638

Music and Speech

Opportunities in these departments include the Chamber Singers, the Madrigal and Handbell Choir, the Chorale, the Concert Band, the Orchestra, a variety of vocal and instrumental ensembles, University plays, student recitals, and one act plays, etc. Numerous opportunities for service exist both on and off campus, and abilities in these areas are developed academically and practically. Each year the University also forms summer ensembles that serve the Lord and promote the University in local churches.

Residence Halls

There are five residence halls for men, and five residence halls for women. Dormitory life in these halls is directed by the Dean of Men and the Dean of Women. Each dorm has a Residence Supervisor who is usually a Graduate Assistant, graduate of the University, or staff member. The Residence Supervisor is assisted by two or three upperclassmen who serve as residence assistants (RAs). A Room Leader (RL) is appointed in each room.

All single students under the age of 23, except graduate students or those who reside with parents, are required to live in the college supervised residence halls and participate in the board program provided through Pioneer College Caterers. See Residence Hall Policies in the Student Life Handbook for further details.

Residence hall rooms are furnished with drapes or blinds, closet space, desks, dressers and bunk beds. Each residence hall has a reasonably priced laundry facility, vending machines, and microwave oven. One portable refrigerator (3.9 cu. ft. or less) is allowed per room for a fee. Students can bring a number of things to make their rooms more 'homey'. These include small stereos and book cases, personal computers, throw rugs, etc. **Large desks, dressers, bookcases, etc., from home cannot be accommodated.** Physical alterations to the rooms are not permitted.

Thirty minutes is set aside for devotions at 10 p.m. Monday, Tuesday, and Thursday evenings.

Please note: All belongings left uncared for at the end of a Spring semester will be disposed of at the University's discretion. "Uncared for" applies to anything that is not put into summer storage, whether or not it is packed and whether or not it is labeled. Summer storage areas and times are announced and posted in advance so that students have ample notice and opportunity to properly care for their belongings.

Responsibility for the Well-Being of Students

Maranatha is an institution of higher learning. It does not act legally “in the place of parents,” and expects students to conduct themselves as responsible young adults. Maranatha may impose disciplinary measures as it deems appropriate, but it is not and will not be responsible for a student’s negative conduct, regardless of a student’s legal age.

Spiritual Life

Students attend the University chapel which is held Monday through Friday each week from 9:15 a.m. to 10 a.m. Students also attend the midweek, Sunday morning and Sunday evening services of a local fundamental Baptist church in Watertown or the outlying area. Students are expected to be faithful to the services of a local church during a semester and encouraged to be involved in a ministry of that local church. Students are challenged to spend time daily in God's Word and prayer. A devotional period is scheduled in the dorms. Societies also provide a variety of ministry opportunities for students.

The highlights of each year are our special meetings. Each semester begins with a week of evangelistic services or revival meetings, and our annual missions conference takes place in the fall. These meetings are vital to the University's ministry and for the spiritual well-being of the University family.

Student Groups

Several student groups exist on campus to promote school unity and spirit. There are student groups that provide opportunities for ministry, leadership training, and student input relative to issues and needs that impact student life. The meetings and activities of these groups help balance college life with fun, fellowship, physical activity, and opportunities to serve.

Telephone Service

Each residence hall room is provided with telephone service. The cost for this service is included in the comprehensive fee paid by each student. Each student is responsible for paying his/her own monthly charges for local and/or long distance calls. Students who abuse or misuse the telephone service may lose the use of telephone service and are also subject to disciplinary action. Use of telephones after 11 p.m. and prior to 5 a.m. is prohibited except for emergencies.

Maranatha provides a land line for each dorm room; a phone, however, is not provided. If your student does not own a cell phone, it is suggested that they bring a phone for the land line.
